# 伊朗：美麗的文化遺產！ Iran: a heritage of beauty!

相逕庭，而去過伊朗的人，更大都認為伊朗遠比歐洲安全。伊朗不僅第三次獲得最實惠海外旅遊目的地的殊榮，也是整形外科中心，醫療設施式式俱備，醫院也設備齊全，價錢相宜。

現時要申請伊朗簽證，可以透過 [evisa.mfa.ir/en/](http://evisa.mfa.ir/en/)，輕輕鬆鬆就能申請電子簽證，而且不會貼在護照，有180多個國家和地區的居民合乎資格，包括中國內地、香港和澳門的居民。此外，外國人還可以在伊朗的所有國際機場申請落地簽證。

關於衣著，雖然按照伊斯蘭法則，女性遊客在公共場所必須遮蔽頭髮和身體，但通常都會有點迴旋餘地。如想更深入瞭解伊朗，歡迎瀏覽 [www.facebook.com/iranconsulatehk](http://www.facebook.com/iranconsulatehk)。

Needless to say, Iranians are one of the most hospitable peoples, as tourists can all testify to their hospitality. When it comes to security, Iran, despite common perception, is as safe as the United Kingdom, as confirmed by the Travel Risk Map 2019, prepared by global risk experts International SOS and Control Risks, and most people who have been to Iran even believe it to be much safer than Europe. Named the most affordable foreign tourist destination for the third time, Iran is also a hub for plastic surgery and offers a wide range of treatment facilities and well-equipped hospitals at reasonable prices.

Now getting an Iranian visa is easier than ever through [evisa.mfa.ir/en/](http://evisa.mfa.ir/en/), as citizens of over 180 countries and places including mainland China, Hong Kong and Macao are eligible to use the Iran Electronic Visa, which is not affixed to the passports. What's more, foreigners can also apply for a visa on arrival at all international airports in Iran.

As for the dress code, female travellers are usually allowed some leeway in their clothing than is required under Islamic rules to cover their hair and body in public. For more information about Iran, visit [www.facebook.com/iranconsulatehk](http://www.facebook.com/iranconsulatehk).

伊朗是亞洲西南部的古老國家，也是波斯古文明的發祥地。伊朗以四季齊備而聞名：不僅春夏秋冬全年可見，而且同一時間可在國內盡見四季。以生物多樣性而言，伊朗同樣位居世界先列。

無須多說，伊朗人熱情好客，可謂數一數二，遊客全都領略過這份殷勤款客之情。談到安全事宜，根據環球風險專家International SOS及Control Risks推出的2019年旅遊風險地圖，伊朗與英國其實並無分別，這可與一般人的想法大

Iran is an ancient country in south-western Asia and home to one of the oldest civilizations – Persia. Apart from being famous as a four-season country – not only are there four seasons throughout the year, they can also be found at once within the country, Iran is also recognised as one of the world's top countries in terms of biodiversity.
