**Temporary Suspension of the Peak Tram Service  
March 17 - 21, 2014 (Monday - Friday)**

Dear Hong Kong Travel Trade,

The Peak Tram service will be temporarily suspended for maintenance and haulage rope replacement work for five days from Monday, March 17, 2014 to Friday, March 21, 2014 (both days inclusive and subject to weather conditions).

During the service suspension, The Peak Tower and the Sky Terrace 428 will remain open during the period. As in the past practice, services provided by New World First Bus Route No. 15C running between Central Ferry Piers and Garden Road Peak Tram Lower Terminus will also be suspended during the period.

We apologise for any inconvenience may cause.
