

For Immediate Release

LANGKAWI INTERNATIONAL TRAVEL BUBBLE WILL BE EXTENDED UNTIL THE NATIONAL BORDERS REOPEN

Hong Kong, 17 February 2022 – The Langkawi International Travel Bubble (LITB) was implemented as a three (3) months pilot project commencing from 15 November 2021. This pilot project assessed the readiness and preparedness of the country's tourism ecosystem, especially the tourism industry and the frontline workers in receiving international tourists to Malaysia in stages and in a safe manner.

Langkawi International Travel Bubble (LITB) will be extended until the reopening of the national borders. The SOP for foreign tourists entering Malaysia through LITB was standardised according to the latest requirement by the Ministry of Health Malaysia on 16 February 2022. The changes are as follows:

- i. Fully vaccinated tourists with booster may leave Langkawi Island on Day 5 if the RT-PCR test on Day 4 is negative **OR** RTK-Ag (Professional) test on Day 5 is negative;
- ii. Children aged 12 and below may travel with their vaccinated parents /guardian without having to prove their vaccination;
- iii. Children under the age of two (2) **DO NOT** need to undergo the COVID-19 screening test;
- iv. Mandatory for every foreign tourist to purchase an insurance policy worth **USD50,000** (COVID-19 and travel). Malaysian citizens living abroad are exempted from this requirement; and
- v. Flight arrivals via KLIA2 is allowed (beginning 22 February 2022).

YB Dato' Sri Hajah Nancy Shukri, Minister of Tourism, Arts and Culture hopes that this decision will benefit international travellers who wish to visit Malaysia through the LITB.
