1. The Green Lifestyle Local Tour Incentive Scheme (Phase Two) (“the Scheme”) is funded by the “Anti-epidemic Fund” of the HKSAR Government and provides travel agents with cash incentives based on the number of green lifestyle local tour participants they serve.
2. The Travel Industry Council of Hong Kong (“TIC”) is the implementation agent of the Scheme. The Scheme aims to encourage the public to enjoy nature, promote nature conservation and biodiversity, and raise public awareness of green lifestyle and tourism, waste and carbon reduction, environmental protection and nature conservation, etc.; promote local economic activities; and support the tourism and related industries.
3. Applicants should read the following information carefully before submitting their applications.

II. Eligibility of Applicants

The Applicant must be a travel agent that fulfils the following two conditions concurrently:

- (1) holding a valid travel agent’s licence issued under the Travel Industry Ordinance (Cap. 634) at the time when making application; and
